- 1.3 The IOD Class Rules will apply. The IOD Championship Regulations will not apply.
- 1.4 Boat restrictions and permitted actions are described in Sections 8 and 9.
- 1.5 RRS 62.2 and RRS 66 will be changed to shorten the times for requesting redress and for requesting that a hearing be reopened on the last scheduled day of racing.
- 1.6 The Sailing Instructions may change other racing rules.

2. Eligibility and Entry

- 2.1 This regatta is open to female helmspersons and all-female teams
- 2.2. All competing helmspersons must be members of U.S. Sailing or their National Sailing Authority.
- 2.3 The entry fee will be \$475 (five weekend social tickets are included with each entry.) Additional social tickets may be purchased for \$75 at www.marbleheadiod.com/2025womensinvite
- 2.4 This is a resume event. Interested skippers should submit a sailing resume to the OA as soon as possible (before June 1, 2025), using the official application at www.marbleheadiod.com/womens2025
- 2.5 Applications will be reviewed quickly. And qualified applicants will receive confirmations promptly.
- 2.6 The deadline for entries is July 25, 2025. All invited teams must complete the official entry form and secure their entry by paying their entry fee by that date, or be subject to a \$100 late fee. Fees are not refundable. Late entries will be accepted at the sole discretion of the organizing authority.
- 2.7 Electronic payment instructions for entry fees, additional social packages, and housing requests will be found at www.marbleheadiod.com. (See **NOR 13**)
- 2.8 A single damage deposit of \$1000 will be required of each team. Damage deposits may be paid in advance or at registration. The OA prefers that the damage deposit be provided via paper check, which will not be cashed unless needed. A boat may not leave the mooring unless that team has provided a damage deposit.
- 2.9 Each skipper is responsible for the damage or loss to their boat unless responsibility is otherwise assigned by the umpires or Protest Committee. The damage deposit is the limit of liability of each skipper for each incident. If a deduction is made from the deposit, the skipper will be required to restore the deposit to the original value to continue in the event.
- 2.10 After the conclusion of the regatta, the damage deposit will be returned, less any deductions for loss or damage incurred by the competitor during the regatta. Additionally, damage deposits may be "pooled" to cover any un-attributable loss or damage to the boats which occurred as a direct result of the use of the boats in the regatta. In such event, expenses shall be deducted from the "pool", and the balance shall be returned to the competitors after the conclusion of the regatta.
